### Colors To Match Your Imagination.

When you open this color chart, you're opening up a world of exciting design possibilities. Dryvit offers an astounding variety of colors, ranging from the bold to the subtle. In all, you can choose from 360 colors, including the Classic Collection (our 22 most frequently requested colors). For even more creative freedom, all colors are available in any of the five Dryvit surface textures: Quarzputz<sup>®</sup>, Sandblast<sup>®</sup>, Sandpebble<sup>®</sup>, Sandpebble Fine™ and Freestyle<sup>®</sup>.

All Dryvit coatings and finishes are 100% pure acrylic based for weather-resistant, long lasting color. What's more, all Dryvit finishes are formulated with **proven Dirt Pickup Resistant (DPR)** chemistry. The result is tough textured finishes that keep their good looks year after year after year. And all Dryvit finishes are backed by Dryvit's solid reputation and a written warranty.

If you're looking for great color, look to Dryvit – a world leader in Exterior Insulation and Finish Systems and color coatings for over 30 years. For more information and the name of your nearest Dryvit distributor, call toll free 1-800-556-7752 or visit our website at [www.dryvit.com](http://www.dryvit.com).

It is the intent and purpose of this color chart to provide a basic representation of Dryvit Systems, Inc. finish colors and is offered as a sales aid only to select a range of colors for final selection. This color chart shall not be used for final color selection as color differences may occur. Actual color selection should be made from 8" x 10" samples of each finish type, texture and color to be used on the project. Samples shall be prepared using the same tools and techniques proposed for the actual installation by the applicator/contractor.
